

Creating Points of Passion!

CAD/CAM-SPECIALIST (WOOD)

(m/f/x)

Creating Points of Passion! Do you want to realize fascinating meeting places for well-known clients with us? **Then design unique trade fair and event structures in 3D with us** – platforms of the economic future. Raumtechnik Messebau & Event Services GmbH currently has around 170 employees and offers first-class performance worldwide. We are looking for likeable personalities who are passionate about what they do and want to represent a fascinating company in an exciting industry through successful work.

Strengthen our team in **Stuttgart** as:

CAD/CAM SPECIALIST WOOD (m/f/x)

Our performance for you:

- Appreciation, team spirit and a culture of trust
- Flexible working hours
- Further training opportunities
- Subsidy for our canteen
- Special leave
- Company events
- Sufficient parking spaces
- Company health management
- VWL subsidy
- Group accident insurance
- Modern workplaces at the nature reserve

Where you are strong/where you want to go:

- You are an expert in designing trade fair stands and components in 3D as well as creating approval and production drawings
- Coordination with the project manager for an optimal result
- Preparation of assembly documents: So that everything goes according to plan

What you bring with you:

- Knowledge in the use of 3D-capable CAD programs (ideally TopSolid)
- Familiar with working with wood? Perfect!
- Knowledge of constructions with wood and other materials? Check!
- You are a team player and service-oriented
- Clear communication for the best result is your thing
- You have experience in CAD/CAM
- Independence and precision

What you can look forward to:

- International projects you can be proud of
- Team spirit: everyone cool and passionate at the start
- We support your development: professionally and personally

Are you in?

Give us a call or send an email.

We look forward to your application!
