Creating Points of Passion!

PROJECT BUYER

EVENT AND TRAID FAIR (m/f/x)

Want to create fascinating meeting places with us for renowned clients? **Then come support our Purchasing team.** Raumtechnik Messebau & Event Services GmbH, currently employing around 170 people, delivers first-class performance worldwide for brands like Renault, Siemens, Mercedes, Würth, BMW, and many others. We are looking for likeable personalities who are passionate about what they do and want to represent a fascinating company in an exciting industry through successful work.

Strengthen our team in **Stuttgart** as:

PROJECT BUYER (m/f/x)

Where you are strong/where you want to go:

- **Project Procurement:** Primary point of contact for project management regarding defined materials and external service providers (e.g., event and media technology, temporary structures).
- **Costing:** Soliciting and conducting commercial and technical evaluations of quotes.
- **Comparability:** Preparing transparent and detailed price comparisons.
- **Negotiations:** Independently negotiating prices, framework terms, and contracts with suppliers and service providers.
- **Process Ownership:** Handling the entire ordering process in the ERP system from start to finish.
- **Quality Control:** Professionally monitoring on-time delivery, as well as handling complaints and change orders.
- **Partner Network:** Continuously building and maintaining collaborative relationships with international suppliers and identifying new sourcing channels.
- **Process Advancement:** Collaborating on the continuous improvement and (partial) automation of our processes as part of an ERP migration.

What you bring with you:

- **Foundation:** Commercial vocational training (e.g., in industry, wholesale, and foreign trade) or a degree in business administration / engineering? Great!
- **Experience:** Several years of professional experience in operational or technical project purchasing (preferably in exhibition construction, events, interior fit-out, shopfitting, or skilled trades)? Perfect!
- **Negotiation Skills:** Assertiveness paired with a confident demeanor and tact? Awesome!
- **Organization:** A structured work style, flexibility during peak project periods, and strong team spirit, cost awareness, and a solution-oriented approach? Check!
- **Communication and Tools:** Business-fluent communication in German, good English skills for international projects, and proficient use of ERP systems and Office programs? Spot on!

Are you in?

Apply quickly and easily—a long cover letter is not a must. Your resume along with your salary expectations and availability is all we need via email at **personal@raumtechnik.com**, or give us a call directly if you have any questions at **+49 7158 9874-108**.

We look forward to receiving your application!

Our performance for you:

- **Flexibility and Time Off:** 30 days of vacation plus special leave, flexible working hours, and plannable remote work days.
- **Financial Perks:** Attractive compensation and capital-forming benefits (vermögenswirksame Leistungen / VWL).
- **Work Environment:** Modern workplace right next to a nature reserve, free parking, good public transit connections, a JobRad bike-leasing option, and a subsidized cafeteria.
- **Culture:** Genuine appreciation, short decision-making paths, thorough onboarding, and regular team events.
